Seeking Medical Care

If you need to seek medical care, please follow these simple instructions:

Please [visit our website](#) for more details.

Non-Emergency Care

For immediate care in non-emergency situations, you **SHOULD** go to a Walk-in Clinic, Urgent Care center or local doctor. Urgent Care and Walk-in Clinics are often the best places to seek medical care as you can walk right in and they require no appointment.

You **SHOULD NOT** go to the Emergency Room (ER) for this type of care unless it is a real emergency situation.

Emotional Wellness

DialCare is included in your plan for no additional cost to support you in your time of need. DialCare is a virtual and telephonic counseling service focused on providing safe, secure and private means of seeking mental health assistance from licensed counselors.

Please [visit our website](#) for more details. I emergency situation!

Emergency Care

The Emergency Room (ER) is designed for medical emergencies. If you need emergency care for any reason, please get to the nearest Emergency Room (ER) or call the emergency services for immediate treatment.

PLEASE NOTE – an additional **\$250 or \$350 Deductible** will apply for each Emergency Room visit for an illness which does not result in a direct Hospital admission

Doctor/Hospital Search

You have the freedom of choice to visit any provider you wish, however you are strongly encouraged to visit medical providers who are part of the insurance plans network. This will allow direct billing and can remove the need for you to pay up front for medical expenses.

Inside the USA - [UnitedHealthcare Network](#)

Outside the USA - [IMG IPA Network](#)
