Seeking Medical Care

If you need to seek medical care, please follow these simple instructions:

Telemedicine
Your plan includes free access to Teladoc, virtual telemedicine while inside the USA. If you have a minor or non-urgent medical need, you can use Teladoc to see a doctor or get a prescription from anywhere, at any time using your phone or computer.

Please visit our website for more details.

Emotional Wellness
DialCare is included in your plan for no additional cost to support you in your time of need. DialCare is a virtual and telephonic counseling service focused on providing safe, secure and private means of seeking mental health assistance from licensed counselors.

Please visit our website for more details. In an emergency situation!

Doctor/Hospital Search
You have the freedom of choice to visit any provider you wish, however you are strongly encouraged to visit medical providers who are part of the insurance plans network. This will allow direct billing and can remove the need for you to pay up front for medical expenses.

Inside the USA - UnitedHealthcare Network
Outside the USA - IMG IPA Network

Non-Emergency Care
For immediate care in non-emergency situations, you SHOULD go to a Walk-in Clinic, Urgent Care center or local doctor. Urgent Care and Walk-in Clinics are often the best places to seek medical care as you can walk right in and they require no appointment.

You SHOULD NOT go to the Emergency Room (ER) for this type of care unless it is a real emergency situation.

Emergency Care
The Emergency Room (ER) is designed for medical emergencies. If you need emergency care for any reason, please get to the nearest Emergency Room (ER) or call the emergency services for immediate treatment.

PLEASE NOTE – an additional $250 or $350 Deductible will apply for each Emergency Room visit for an illness which does not result in a direct Hospital admission.

Prescription Medications
Prescriptions should be filled at any available pharmacy and paid upfront directly to the pharmacy. Please keep copies of all your receipts and the prescription label and submit those to the claims team, along with a completed claim form for processing.
